

On behalf of the membership of the East Windsor Lions Club I would like to extend a heartfelt thank you to the residents and businesses of East Windsor for their generous and loyal support of our club activities throughout the year. Various projects held during the year included the Annual Turkey Shoot, the Roast Pork Dinner, the Farmer's Breakfast just to mention a few. Funds raised through these projects helped us to support the East Windsor Library, Girl Scouts, Boy Scouts, Visiting Nurse Association, Five Corner Cupboard Food Pantry, scholarships for graduating seniors of East Windsor High School and many other local endeavors.

Through your generosity we were also able to participate in Lions Club endeavors including CT Lions Low Vision Center, CRIS Radio, Fidelco Guide Dogs, and American School for the Deaf, Diabetes Awareness, CT Lions Eye Research at both Yale and UCONN and world-wide Lions Clubs International Foundation.

We would also like to express our appreciation for the wonderful coverage the news media has afforded us during the year. Without their support our fund raisers would not have been the successes that they were. Thank you all.
