

Be a Part of East Windsor History!

This is your opportunity to honor your two or four legged loved one and support the community at the same time.

BUY A BRICK!!!

In an effort to build the first EW dog park we are raising funds to create a beautiful brick walk leading to the park. We ask for your support in purchasing a brick with your choice of engraving to honor a special person or pet in your life. Each brick can accommodate two lines of engraving consisting of 13 letters/spaces per line. The purchase of bricks is not limited to pet owners. Anyone can purchase a brick to show your support.
