The East Windsor Education Foundation (EWEF) is a 501(c)3 non-profit organization, independent of both the Board of Education and town government. It is governed by a volunteer Board of Directors who oversee the Foundation's operation.

The membership of the Foundation's Board includes East Windsor business persons, parents, senior citizens, community leaders and is open to the community.

Our mission is to provide a partnership with the East Windsor community to financially support innovative educational opportunities and programs with the East Windsor Public Schools. The East Windsor Education Foundation identifies worthwhile educational projects and makes them a reality through community fund raising.

The goal of the Foundation is to finance and promote innovative and enriching educational opportunities for the children of East Windsor. Since 2006, through your efforts and generosity, we have funded 18 projects totaling \$19,652.36. We need your help to continue to fund exciting projects that stimulate learning and keep our school system thriving with energy and creativity.

We believe in our mission and invite you to join us in our quest to enhance the East Windsor Public Schools. For more information please visit our website www.EastWindsorEducationFoundaton.org.
