

To celebrate Dr. Seuss and Read Across America, the staff at Little Learners Preschool in East Windsor planned a week long "Suess-abration". On Wednesday, March 2nd after a breakfast of Green Eggs and Ham, the children honored a pledge to read a Dr. Seuss book. We read Mr. Brown Can Moo Can You? during circle time. The children proudly display their Read Across America Certificates and the books that they chose to read independently! Happy Birthday Theodore Geisel aka Dr. Seuss!
